

AN URBAN OASIS AWAITS.

Serenity greets you the moment you enter The Rowan. Natural light, organic materials, and verdant plantings intertwine to create an intimate escape. A verdant allée offers a tranquil arrival giving way to a sun-splashed Lobby.

A river of foliage invites you into the Sensory Garden sprinkled with seating and seasonal plantings, all complemented by a calming water feature.

The richly-planted Roof Terrace offers expansive views and is outfitted with a chef's grilling station, relaxation hive, and private rooftop cabanas.*
